TO THE PUBLIC

Saturday Morning, December 9th, we will start this--our last sale for this year and we will make prices below reason.

We offer no apologies for cutting prices---We realize that under the present conditions the life of the Average Business man in Amarillo is no "Bed of Roses" and when your "Bed" don't suit you---get up-make it up over again from the bottom to the top.

That's exactly what we are going to do--our hobby is an Exclusive Shoe Store. That will be our aim in this sale--we reserve nothing--we shall put the knife through every article in the house.

Every article offered is exactly as described.

All high class merchandise--no Sale Stock or Trash.

No goods Charged at Sale Prices.

First Come--First Served

Christmas Shoppers can find hundreds of articles suitable for Christmas presents and the Sale Price is on every one of them.
